Year 6- Autumn Term 1
What Makes US Special?
PSHE/ Relationship Focus (4 week unit)

Maths
During the Autumn Term we will be focusing on Number and Calculation with a strong focus on being able to use a formal method for all four number operations. We will also be looking to prepare for SATs next year by practising our arithmetic and reasoning skills.

Religious Education
We will be exploring Christianity and what made Jesus special.

Computing
We will be looking at E-Safety and the disadvantages of spending too much time on-line gaming.

Science
Our main focus in Science during the Autumn Term will be on Light and Electricity. We will also be an exciting opportunity on Jean for Gene’s Day for the children to sit down with a scientist from STEM Research.

Art
In Art we will be exploring the work of the South American artist Beatriz Milhazes and how she used collage and colour in her work as well as who influenced her as an artist.

Music
To support our art work we will be looking, listening and playing South American music.

English
Diary Writing- linked to our guided reading text on Kensuke’s Kingdom by Michael Morpurgo we will be writing out very own survivalist diaries.

Biography- researching and writing a biography on the life of Rigoberta Menchú Tum.

There will also be a lot of focus on spelling, grammar and punctuation (in preparation for the Year 6 SPAG test) and on comprehension.

Computing
We will be looking at E-Safety and the disadvantages of spending too much time on-line gaming.

French
We are looking at improving our French by writing an introduction about ourselves to a pen pal in France- we are very excited at the prospect of learning more about the French culture.
