

Dear Parent / Carer

Value of the month: Tolerance

This month's value has certainly made everyone stop and think. A tolerant person accepts diversity and doesn't prejudge others on the basis of religion, race, or gender. If we are to live in harmony with others and seek cooperative solutions to conflicts, we need to focus more on our common humanity than on our differences. Tolerance also involves being flexible and accepting that others have the right to be who they are.

Please remember that we will be celebrating **World Values Day** with a Coffee Morning to say thank you to parents on 19th Oct. 2017, 9-10am, Hall

CHARITY FUNDRAISING

We are delighted to tell you that we raised a wonderful £182.09 for Macmillan at our cake sale. Thank you to everyone who made a donation. With Christmas already visible in our shops and on the TV (order your furniture for guaranteed per-Christmas delivery) we wanted to remind everyone that the real meaning of Christmas is a celebration of God's amazing gift of love. Last year we supported the Samaritan's Purse Christmas Appeal collecting 60 filled shoe boxes which

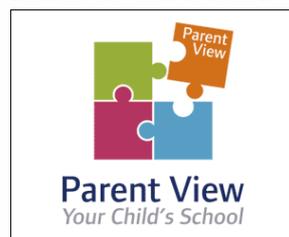

went to children in the Ukraine. We are going to run this appeal again and you will receive a leaflet via the children before the end of term. Let's see if we can **show**

our love and fill **even more** shoe boxes this year.

PARENT VIEW

Parent View gives you the chance to tell Ofsted what you think about your child's school, from the quality of teaching to dealing with bullying and poor behaviour. The survey can be completed at any time; **you don't**

have to wait until the school is being inspected. Please click on the link and tell us what you think ☺

TARGET FOCUS

This newsletter we would like to focus on:

- *Marking and feedback helps us to progress and stretches our 'learning muscles'.*

Here a Southwold we make sure we stretch our learning muscles **every day**. Developing:

- Resilience
- Reciprocity
- Reflectiveness and
- Resourcefulness

makes us even better learners, able to tackle new challenges and not fear getting things wrong. We want the children to listen to and have the opportunity to respond to feedback from teachers,

Southwold Primary & Nursery School

teaching assistants, their classmates and from you the parents.

Take time over the next couple of weeks to ask your child questions like:

- *How have you shown resilience in your learning today?*
- *What could you do to become more reflective?*
- *When did resourcefulness help you to solve a problem?*
- *Did you use resilience to keep going, even when it was hard or you got something wrong?*

Give your child time to respond and listen carefully to their answers. They will **love** you to give them praise and encouragement if they have grown their learning muscles 😊.
