

Dear Parent / Carer

Value of the month: Peace

What does 'peace' mean to you?

Peace is more than the absence of war. There is an inner peace that comes from personal security and personal freedom. ... Although "Peace" means something different to each person, each community, each nation, there is a common dream that binds our hopes.

What does "Peace" mean to you?

CHARITY FUNDRAISING

You should now have received information about Operation Christmas Child and how to pack a shoebox appropriately. Completed shoe boxes can be brought in to school anytime from Monday 6th November. We do have a few spare boxes if needed.

Thank you in advance for supporting this worthwhile charity again this year.

Children in Need is Friday 17th and we are inviting the children to wear something spotty and donate £1. We are hoping for a visit from Pudsey Bear.

STAFF NEWS

We wanted to let you know that at the end of this term Mrs Low and Mrs Luker will be leaving us for pastures new. The children in their classes have been told today and we hope you will have some time over the weekend to reassure them that new teachers will be found for January. The rest of the team in their year groups remains the same so we will be able to ensure good continuity both for the children and yourselves. Please do not hesitate to

pop in and talk to us if you have any questions or concerns.

TARGET FOCUS

In this newsletter we would like to focus on:

- We TELL if something isn't safe or makes us feel uncomfortable. Together we will say 'NO' to bullying.

This message had been given to the children through assemblies and PSHE lessons. We have started to raise the profile of our three trained Anti-Bullying Ambassadors. These are: Sophie Stocker, Jackson Sullivan and Ryan Batten. We have an Anti-Bullying steering group made up of staff, governors, parents and children. They are currently updating our anti-bullying policy which will include a child friendly leaflet and a parent help sheet. While we work on the new policy and procedures please can we ask that if you are at all concerned about your child being bullied then make this known to a member of the school staff who will inform the Senior Leadership Team. One of them will then contact you directly.

ANTI-BULLYING WEEK Monday 13th Nov. –

Friday 17th

This year the bullying week is 'All equal' which links nicely to our Jigsaw theme of 'Celebrating Difference'. To help us remember this we would love it if the children could come to school during this week wearing **odd socks!** Don't worry all will become clear!
