

Curriculum Intent

At Southwold Primary and Nursery School, we want to ensure that our pupils are confident and develop life skills which focus on mutual respect and embrace the multi-cultural world that they are a part of. We are committed to developing strong, lifelong linguistic skills and to encourage pupils to become curious and interested in the world around them.

We aim to support students in their understanding of other countries and cultures so that they can be more open and adaptable to new experiences, ensuring that each topic contains an element of cultural reference. We want our pupils to have a love of languages, and aim to achieve this by nurturing a linguistic curiosity and an intrinsic motivation to explore and respect other cultures and people.

Our enquiry based curriculum supports children in developing their perseverance and resilience as they work hard and challenge themselves to acquire a new language and language learning skills.

Curriculum Impact

All children will leave Southwold with:

- The confidence to speak French with good intonation and pronunciation.
- Fluency in reading simple French texts.
- Fluency and imagination in writing.
- A strong awareness of aspects of French culture.
- A passion for language learning

Southwold Primary
& Nursery School

'Be all you can be and together we will shine.'

At Southwold Primary and Nursery School, everyone is a learner.....

What will you find in the
**Modern Foreign
Languages (MFL)** box of
treasures?

Curriculum Implementation

Each of our topics, is built upon from a termly, enquiry based question and our languages curriculum and appreciation of culture from around the world links in to this in a creative and engaging way.

Through carefully crafted, active lessons, our children will learn to:

- Speak, read and write in French,
- Immerse themselves in high quality French texts and learn through songs and actions,
- Discover and learn about the culture of the countries where French is spoken.

Enriching experiences such as learning about and embracing cultural festivals across the year through our whole school curriculum, celebrating the languages spoken across our school community and extra-curricular clubs all add to the wide and varied languages curriculum open to all children at Southwold.

The 6 Principles of Teaching and Learning:

Challenge
