# Teddy's Southwold Adventure

We're off to Nursery!

Southwold Primary  
& Nursery School

"Be all you can be and together we will shine"

It was Teddy's first day in nursery at Southwold School and he was feeling excited but a little bit nervous at the same time.

He popped on his smart uniform and picked up his book bag and set off for school.

When Teddy arrived at school, he could see lots of other children waiting outside the nursery. They were all smiling and happy. Teddy smiled back!

Some happy teachers were standing at the door and said hello. Teddy held his Mummy's hand and went into nursery.

Teddy met Miss Ponty. She was so kind and caring.

His classroom was called the Snail Sanctuary and it was so colourful; there were so many things to do! Teddy's mummy stayed with him until he had settled to an activity. Teddy chose playdough; it was very calming. Some children came to sit with Teddy and they all made cakes together.

Teddy and his new friends put the cakes they had made into the play oven; the teachers said they looked delicious.

The tambourine rang and Teddy was told which

carpet to go to. This would be his special group whilst he was at nursery and he even had his own adult to take care of him and his new friends! The adults were so friendly and great at singing!

The morning went so quickly at nursery. Teddy had so many different areas he could visit inside and outside- the water area, the playdough area, the book den, the investigation pod, the painting zone... it was so exciting.

Teddy was having such a great time! Then it was snack time. The adults helped Teddy to wash his hands and find a table to sit at. Snack was delicious. Teddy had some apple and orange. He also enjoyed a drink of water whilst chatting with his friends. The adults were so kind and helped Teddy lots.

As soon as snack time had finished, Teddy was ready to explore outside with his new friends.

His teacher showed him where to go to the toilet and wash his hands and then helped him to put on his coat as it was a little bit chilly.

Teddy loved climbing and investigating outside.

He went on the bikes and even made his own den and snuggled up to listen to a story.

After having so much fun outside, Teddy went back inside to explore the role play area. There was a cooker, a sink and even babies you

could feed. Teddy went to the dressing up rack and put on a dinosaur outfit; dinosaurs were Teddy's favourite! A child came to play with Teddy and made him a cup of tea. Teddy and his new friend sat at the table together and even had cake!

Miss Ponty rang the tambourine, it was Show and Tell. Everyone helped to tidy the Snail Sanctuary and outside so it was ready for another amazing day of learning tomorrow. Show and Tell was great fun! Teddy told his friends all about his family. His friends talked about their favourite toys and of course, Teddy said his was a dinosaur!

The lovely teachers said that it was nearly time to go home. Teddy had missed his family but had also had such a fabulous time and he couldn't wait to tell them all about it! The nursery finished with a sing song and then the children collected their things from their peg to go home. Teddy sat

on the carpet and waited to be called. When the teacher called his name, he waved goodbye to all his new friends and happily said 'see you tomorrow!'. Mummy and Daddy had come to collect Teddy and he gave them a huge hug!

Teddy told his family all about his time at nursery and after tea, fell straight to sleep. His dreams were full of the adventures from his first day at Southwold School.
