

Teddy's Southwold Adventure

We're off to Nursery!

Southwold Primary
& Nursery School

"Be all you can be and together we will shine"

It was Teddy's first day in nursery at Southwold School and he was feeling excited but a little bit nervous at the same time.

He popped on his smart uniform and picked up his book bag and set off for school.

When Teddy arrived at school, he could see lots of other children waiting in the nursery garden. They were all smiling and happy. Teddy smiled back!

Some happy teachers were standing at the door and said hello. Teddy held his Mummy's hand and went into nursery.

Teddy met Mrs Bowne, Mrs Fitzmaurice and Mrs Morgan. He also met Mr Cane and Miss Cork. They were all so kind and caring.

His classroom was called the Busy Beehive and it was so colourful; there were so many things to do! Teddy's mummy stayed with him until he had settled to an activity. Teddy chose playdough; it

was very calming. Some children came to sit with Teddy and they all made cakes together. There was even glitter on the table to sprinkle on to the cakes! Teddy and his new friends put the cakes they had made into the play oven; the teachers said they looked delicious.

The tambourine rang and Teddy was told which carpet to go to. This would be his special group whilst he was at nursery and he even had his own adult to take care of him and his new friends! The adults were so friendly and great at singing!

The morning went so quickly at nursery. Teddy had so many different areas he could visit inside and outside- the Design Centre, the playdough area, the book den, the role play area, the messaging nook... it was so exciting. Teddy was having such a great time, that he nearly forgot to have some snack in 'Book Worm Café', but the kind adults reminded him.

Before Teddy went to explore outside his teacher showed him where to go to the toilet and wash his hands and then helped him to put on his coat as it was a little bit chilly.

Teddy loved climbing and investigating outside. The teachers showed him how to play different games and Teddy even made his own

den with a group of friends. He loved dressing up; there were so many outfits to choose from!

Soon it was carpet time. The teachers shook a tambourine and Teddy and his new friends helped to tidy up. There was special music to tidy up to and it made it like a game!

Carpet time was all about number!

Teddy and his class counted along to songs. Teddy loved hunting for

objects and counting his treasures into an egg box!

After carpet time had come to an end, Teddy was very excited because it was learning landscape time! Teddy never knew that learning was so much fun!

After exploring many more areas, Teddy was invited to do some cooking in the kitchen.

Teddy loved cooking so he said a big yes please! He made his favourite, cookies!

Once Teddy had finished cooking, it was Show and Tell. Everyone helped to tidy the Busy Beehive and outside so it was ready for another amazing day of learning tomorrow. Show and Tell was great fun!

Teddy told his friends all about his family. His friends talked about their favourite toys and

Teddy said his was a dinosaur!

The teacher asked Teddy and his friends to put their pretend glasses on and said they were spec-tacular!

The lovely teachers said that it was nearly time to go home. Teddy had missed his family but had also had such a fabulous time and he couldn't wait to tell them all about it! The nursery finished with a sing song and then the children collected their things from the cloakroom to go home. Teddy sat on the carpet and waited to be called. When the teacher called his name, he waved goodbye to all his new friends and happily said 'see you tomorrow!'. Mummy and Daddy had come to collect Teddy and he gave them a huge hug!

Teddy told his family all about his time at nursery and after tea, fell straight to sleep. His dreams were full of the

adventures from his first day at Southwold School.
