23rd February 2018

Dear Parents

This term, as part of our learning about the planet we live on, we have kindly been invited to Gagle Brook Primary School, which Mr Derry leads.

As a school, they use the ten 'One Planet Principles' as a benchmark for all of their activities and work as part of the Bicester Community to promote the idea that sustainable living should mean a better quality of life.

If everyone on the planet lived like an average European, we would need three planets to live on! 'One Planet' is a global initiative based on the ten principles of sustainability developed by Bio Regional and WWF.

On Monday 12th March, the Year 3 and Year 4 children will walk to Gagle Brook Primary School at 10am and they will return before the end of the school day.

They will need to wear comfortable shoes and a bag to carry their packed lunch. Your child **will require** a packed lunch on this day.

During this trip, the children will be given a tour of the school, where the environmental projects will be highlighted. We will use this information to write a non-chronological report about our findings.

Please complete the permission slip below and indicate if you can help with this trip by Wednesday 28th February. We will let helpers know if they are needed by Monday 5th March.
Many thanks

Y3 and 4 Team

Y3and Y4 Environmental Trip

Class Teacher: _____

I give permission for my child: _____
to attend this environmental trip to Gagle Brook Primary School on Monday 12th March 2018.

I can help on this trip.

I cannot help on this trip.
