Our value this month is 'Trust'. In school, much of our work has been focused on trust between friends, the consequences of friendships being broken and how they can be mended. Children have also been working hard to understand how we can trust each other to share our worries to help us feel safe and happy within our lives, both in and out of school.

# How you can help at home

'Trust helps us to believe in others and makes us determined to not let anyone down, so you can fully trust one another'  
George Year 5

'Trust the people you love, rely on each other and understand each other'  
Keelan Year 5

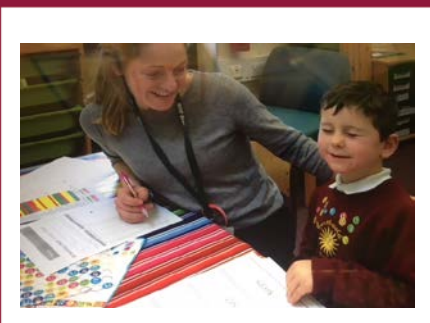

'Trust shows you believe in someone and you think a friendship is special'  
Amelia Year 5

Have a discussion with your child and think about what this might mean...

## International Happiness Day

We had such a great time celebrating World Happiness Day in school on Tuesday. The children wrote messages of happiness all day long and even wrote compliments to each other in Year 2- such fun! See below for our happiness photos!

**'Be all you can be and together we will shine.'**
