Maddie Huard
Katie Royan
Isla Hedley
Layla Bucknell

This term we celebrate the value of Unity. The children have thought about the importance of working together to achieve something awesome. This was evident during our 'One World' week and is also a focus for the Pupil Leadership Team when thinking about whole school maths games for lunchtimes, where children across the school can become united and learn together. In assembly we have discussed the idea of getting on and falling out with family and friends and the feeling we have when we make friends again.

Core Values

Positivity

Thoughtfulness

Determination

Friendship

Honesty

Inclusion

Responsibility

Appreciation

Respect

Happiness

Freedom

How you can help at home

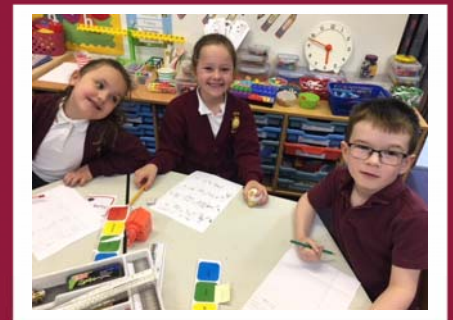

'Unity means being together as one. I like being with my family and friends especially when we are all laughing'
Ben Year 2

'Unity is when we bring people together by being kind, thoughtful and a good friend'
Matthew Year 4

'Unity is about having fun and letting everyone join in'
Isla and Grace Year 4

unity is strength... where there is teamwork and collaboration, wonderful things can be achieved'
Mattie Stepanek

'Be all you can be and together we will shine.'
