

Dear Parent / Carer,

Welcome back to Term Two! I hope you all enjoyed your half term break and had some quality family time together. We have had a fantastic first week in school with lots of wonderful learning and behaviour happening around the school.

I am very pleased to share with you our first stars of the week, winning house and attendance award winners for Term Two. Chestnut class have won the attendance cup again with an amazing 99.13%.

A massive well done to you all!

Term Two 'Hook Day'

To launch our new topic 'What's Inside your Imagination?' We Had Cas Lester visit on Monday 29th October, she was very impressed with the children and their wonderful ideas. All the classes have been using their ideas and inspiration from the day to focus their learning for this term. A big thank you to FOSS for funding the event for us.

Parent Survey

We have been having a few technical difficulties with getting the Survey Monkey link out to parents. Sorry for the delay but hopefully you should receive this within the next week.

Parents Evening

It was fabulous to see so many parents join us last night and we look forward to seeing more of you next week for our second session. If you have been unable to secure an appointment, then please speak to your child's class to make an appointment to see them.

What would you do if you or your child weren't happy with what they saw on social media site?

Every site has a set of rules about what is and isn't acceptable. These guidelines also have some handy pointers about what to do if you're not happy about stuff, so take a look: <https://www.antibullyingpro.com/support-centre>

Do you know how to use parental controls and privacy settings?

Click on the link and tap in your electrical device and networks: broadband, mobile, smartphones, social media, etc. These step-by-step guides will support you to create a safe space for your child to explore online:

How can you build up your child's digital resilience?

This isn't a one off discussion, it's a progressive process to help them feel safe and in control. Check out Dr Linda Papadopoulos' video about what a digital resilience toolkit might look like:
